

case of the Bostwick Park project joint costs allocated to recreation and fish and wildlife enhancement shall in the aggregate be nonreimbursable only to the extent they do not exceed 25 per centum of the cost of joint use land and facilities of that project (joint use land and facilities being defined as land or facilities serving two or more project purposes one of which is recreation or fish and wildlife enhancement) and: *Provided further*, That provision shall be made for the reimbursement, for the contribution by non-Federal interests, or for the reallocation of joint costs of said project allocated to recreation and fish and wildlife enhancement in excess of the foregoing limit under one or a combination of the following methods as may be determined appropriate by the Secretary: (1) provision by non-Federal interests of lands or interests therein, or facilities required for the project; (2) payment, or repayment, with interest at a rate determined in accordance with section 5(f) of the Act of April 11, 1956, as amended, pursuant to agreement with one or more non-Federal public bodies; (3) reallocation to other project functions in the same proportion as joint costs are allocated among such functions.

74 Stat. 227.
43 USC 620d.

(b) In connection with the Bostwick Park and Fruitland Mesa projects the Secretary of the Interior shall transfer lands acquired for the projects within exterior national forest boundaries for administration as national forest, and jurisdiction of national forests lands within the projects shall remain with the Secretary of Agriculture for recreation and other national forest system purposes: *Provided*, That the lands and waters within the flow lines of any reservoir or otherwise needed or used for the operation of the projects for other purposes shall continue to be administered by the Secretary of the Interior to the extent he determines to be necessary for such operation.

(c) Costs of means and measures to prevent loss of and damage to fish and wildlife resources shall be considered as project costs and allocated as may be appropriate among other project functions.

SEC. 5. For a period of ten years from the date of enactment of this Act, no water from the projects authorized by this Act shall be delivered to any water user for the production of newly irrigated lands of any basic agricultural commodity, as defined in the Agricultural Act of 1949, or any amendment thereof, if the total supply of such commodity for the marketing year in which the bulk of the crop would normally be marketed is in excess of the normal supply as defined in section 301(b)(10) of the Agricultural Adjustment Act of 1938, as amended, unless the Secretary of Agriculture calls for an increase in production of such commodity in the interest of national security.
